

Fanfare

spring bean

Fanfare is Fully Recommended on the PGRO Recommended List of Spring Beans for 2019. It is a high yielding spring bean variety combined with good standing power and with a pale hilum as required by export markets.

- ✓ Fanfare produces high seed yields on the PGRO RL (99).
- ✓ Fanfare has good standing ability at harvest (6).
- ✓ Fanfare is Fully Recommended on the PGRO RL (P).

The control for yield comparisons is the mean of Vertigo & Lynx. Yield differences of less than 4.5%(p=0.05) should be treated with caution.

Recommendation categories: R=Recommended, P1,P2=1st & 2nd year provisional recommendation, O=Becoming Outclassed
A high figure indicates that the variety shows the character to a high degree.

The scales of characters of spring beans do not necessarily correspond with those for winter beans.
The export market usually requires pale hilum types. LVC = Low Vicine & Low Convicine. © PGRO 2019
